The Ordination of Brian Patrick

Tonight, Sunday May 4th, at 5 p.m. a council of ordained men will meet to question Brian on biblical beliefs that are in keeping with the work of ministry. As the council listens to the answers, they will make a recommendation to the members of Little Cypress Baptist Church. That recommendation will come at the beginning of the evening worship at 6:30 p.m. There will be a time of praise to God, and ordination sermon, and then the laying on of hands by the church. Following this very important Ebenezer moment in the life of Brian and his family, as well as the LCBC family, there will be a reception in the Dining Hall. We invite all to attend and support Brian in this special ordination this Sunday Night, May 4th service at 6:30pm. and the reception to follow.

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs. and providing opportunities for Christian worship.

Roberto is Church Planter for Iglesia Comunidad de Garcia in Glen Burnie. MD. Roberto is asking to pray that God will help them plant the seed of the gospel in hearts of those who don't know our Lord Jesus as Savior. Also. pray that God will help us make them as they seek to be a biblical church that honors His Word.

EVENTS/ANNOUCEMENTS

What Does 'Putting on The New Self' Look Like?

When we think like Jesus, we will act like Jesus and speak like Jesus. Our attitudes will be changed so that we exhibit walking in the Spirit instead of being comfortable with walking in the flesh. In the next verses of chapters four and five, we will see what changes appear when we are transformed by Jesus. Our perspective will change and that will change whether the words that come from our mouths qualify as imitating God or accepting our fleshly human 'ways'. Sometimes it seems that Christians take a beating from the world for being 'holier than thou' and we realize that they do not understand the transformational power of Jesus. We need to be careful that we do not accommodate sins that are a part of the human condition, when we have been called to walk in the Spirit and not in the flesh as imitators of God. Let's see what that looks like from the book of Ephesians today.
