Our Blessed Hope

It is great to have all the parts needed for a car or a home, but could you put them together without some of the instructions as to how they are connected? It would be possible for a person to take all the supplies and find a way to fit them together that looked completely different than what the next person did with the same materials. This is the situation we face with Bible prophecy unless we take the time to see the clues in the mystery. This mystery is the how and when is God going to end history as we know it, start the next phases that lead to the new Heaven, the new Earth, and the timeless existence that follows. Every true disciple of Jesus Christ will be a part of this journey. Some have said they are not interested in talking about all these events. Many want to simply live their life without worrying about things over which they have no control. God says all of this in His Word is a part of a blessed hope in Titus 2:13. In addition His Word says in Revelation 1:3 *"Blessed is he who reads and those who hear the words of the prophecy and heed the things which are written in it; for the time is near."* (NASB95)

Follow this sermon series until you have the parts, the clues, and the urgency to be a part of work of the kingdom of God.

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

There is an important message for the believing family of God in the Bible: next to God Himself, we need each other most! God's ideal is a fellowship of faith, a Christian community. He never intended that salvation should be received and enjoyed by the individual apart from the larger company of believers. No one is wise enough to live alone, nor good enough, nor strong enough. Our Lord, who is the Great Shepherd, has said that we are the sheep of His pasture and it is in our nature to live with the flock. Best of all, the Shepherd always stays with His flock!
