Property & Space Phase II Work

Exterior concrete work with our contractor is nearing completion with the last of the installation finishing next week. Electrical work has begun and will continue for the next 3 weeks, we will complete the last of the exterior work (between north and middle buildings) and the last of the minor brick touch up's. We will soon begin some of the slower less noticeable work inside as framing and bracing are nearing completion. We appreciate all the prayers and volunteers that have helped us to get to the point. This volunteer support has saved the Church over \$180K in labor cost.
