

THE QUARTERLY

Dear LCBC Membership and Church Family

When we give to the Lord through this local church, all the priorities of the kingdom of God are met most effectively. These priorities include worship, fellowship, ministry, missions, and discipleship. While accomplishing missions and ministry all around the world, they are paying for staff salaries, church utilities, literature, and training materials and many more things that make a church function. Our giving is a blessing to every age group from bed babies to our most senior adults. We are also giving to ministries that reach our community from Birthright, SBTC Disaster Relief, Deep East Texas Disaster Relief, and our work through the Golden Triangle Baptist Network of churches.

Our giving through the Southern Baptists of Texas state convention supports our seminaries and all other Southern Baptist agencies at a much higher percentage than the other Baptist state convention in Texas. As a part of the Southern Baptists of Texas state convention we have also been able to avoid many of the 'woke' policies and unbiblical agendas that are radically changing other Southern Baptist churches.

LCBC should be thankful that the Lord has directed us to faithful biblical ministry whether the culture wants to cancel us or not. We are blessed!

Senior Adult Recognition Sunday ~ May 7

Senior Adult Recognition Sunday is an emphasis in an acknowledgement that our God is calling and using people throughout their lives and does not end that call to service because of greater chronological age. *"But the godly will flourish like palm trees and grow strong like the cedars of Lebanon. For they are transplanted to the LORD's own house. They flourish in the courts of our God. Even in old age they will still produce fruit; they will remain vital and green."* (Psalm 92:12-14, NLT)

FOLLOWING JESUS CHANGES THE GAME

Youth

Disciple Now weekend was a huge success this year, and I am already looking forward to next years event. As many of you know we had four local youth ministries involved this year and there are possibly two more joining us for next years event.

Please be in continued pray as Disciple Now continues to grow, seeking a revival within these students. Generation Z is an unreached people group, and we need to be in prayer for the raising up of students who will boldly take the message of Jesus Christ to their peers.

Student Life Camp ~ June 12-16 ~ Austin College Sherman, TX

We have one spot available for camp, and the cost is \$200.00. If there is anyone who would like to go and have not signed up, please let me know.

We are having a fundraiser to help with the camp costs on May 21. More information will be coming very soon.

As always, make sure you follow the LCBC Student Ministry on Facebook or Instagram @lcbcstudentministry.

Young Single Adults

YSA continues to meet the second Monday of each month and there are possibilities for growth there, too. Other local youth pastors and I are seeking ways that we can bring our single adults together monthly for discipleship, time of devotion, and fellowship. Just as we have seen the local youth ministries come together, be on prayer that we can replicate this growth among our local young adults.
