

ESTABLISHED ON THE HILL

Your Sufficiency Comes from God

We live in a world that constantly tells us to be more—more capable, more productive, more independent. But as followers of Christ, we're called to live differently. God never asked us to be sufficient in ourselves.

Instead, He invites us to find our sufficiency in Him. This 5-day devotional is a journey into the heart of that truth. Drawing from 2 Corinthians 3:5, we'll explore how God's power meets us in our weakness, how His grace sustains us in the everyday, and how His presence equips us to walk confidently in our calling.

Whether you're facing a season of doubt, exhaustion, or transition, this devotional will remind you that you are not alone—and you are never expected to be enough on your own.

As you reflect and pray through each day, may your heart be anchored in the beautiful reality that your sufficiency comes not from within—but from the One who is always more than enough.

DAY 1

LIMITS OF SELF-SUFFICIENCY

Reading: Proverbs 3:5–6

We live in a culture that idolizes independence and self-reliance. While being responsible is good, there's a danger in depending solely on ourselves.

God invites us to trust in Him—not just for salvation, but for daily living. Our talents, intellect, and strength will eventually fall short, but His wisdom never fails.

Reflection: Where have I been relying on myself more than God?

Prayer: Lord, help me surrender the areas of my life where I've tried to go it alone. I choose to trust You.

DAY 2

HIS STRENGTH IN OUR WEAKNESS

Reading: 2 Corinthians 12:9–10

Paul boasted in his weakness—not because he enjoyed suffering, but because it was in weakness that God’s strength was made perfect. Your struggles are not a sign of failure; they are invitations for God's power to shine through. Don’t hide your weaknesses—offer them to God.

Reflection: What weakness can I surrender to God today so He can work through it?

Prayer: God, I give You my weakness. Be strong where I am not.

DAY 3

GRACE THAT SUSTAINS

Reading: Hebrews 4:16

God's grace isn't just for salvation—it's for every moment. When we're tired, tempted, or troubled, grace meets us there. It's the power of God to uphold, restore, and empower. You are not alone, and you are not left to figure life out on your own.

Reflection: How has God's grace sustained me in the past? Where do I need His sustaining grace today?

Prayer: Father, thank You for Your sustaining grace. I come boldly to Your throne to receive what I need today.

DAY 4 EQUIPPED FOR THE CALLING

Reading: Ephesians 2:10

God doesn't call the qualified—He qualifies the called. If He has given you a purpose, He will also supply what you need to fulfill it. Our sufficiency is not in our skills but in His Spirit. Step into your calling with confidence—not in yourself, but in the One who sent you.

Reflection: What has God called me to do that I feel unqualified for?

Prayer: Lord, I trust that if You've called me, You will also equip me. Help me walk in faith, not fear.

DAY 5

LIVING IN GOD'S FULLNESS

Reading: John 15:5

Abiding in Christ means staying connected to the source of all life and sufficiency. Like a branch can't bear fruit without the vine, we can't live fruitfully without dependence on Jesus. Your life, strength, and purpose flow from Him. Stay connected.

Reflection: How can I stay more connected to Jesus in my daily routine?

Prayer: Jesus, I want to remain in You. Teach me to abide daily so that I may live out of Your fullness and not my own effort.
