

# ESTABLISHED ON THE HILL

We live in a world that constantly tells us to be more—more capable, more productive, more independent. But as followers of Christ, we're called to live differently. God never asked us to be sufficient in ourselves.

Instead, He invites us to find our sufficiency in Him. This 5-day devotional is a journey into the heart of that truth. Drawing from 2 Corinthians 3:5, we'll explore how God's power meets us in our weakness, how His grace sustains us in the everyday, and how His presence equips us to walk confidently in our calling.

Whether you're facing a season of doubt, exhaustion, or transition, this devotional will remind you that you are not alone—and you are never expected to be enough on your own.

As you reflect and pray through each day, may your heart be anchored in the beautiful reality that your sufficiency comes not from within—but from the One who is always more than enough.

# DAY 1

## SEEKING GOD'S KINGDOM FIRST

---

### **Reading: Matthew 5:25-34**

Jesus teaches us to prioritize God's kingdom above all else. Today, reflect on areas in your life where worry has taken precedence over trust in God.

How might your perspective shift if you truly believed that God would provide for all your needs?

Consider writing down your biggest concerns and surrendering them to God in prayer. As you go through your day, practice redirecting anxious thoughts towards gratitude for God's provision and faithfulness.

# DAY 2

## THE BEAUTY OF GOD'S CREATION

---

### **Reading: Psalm 19:1-6**

Just as Jesus points to the lilies of the field and the birds of the air as examples of God's care, today's passage reminds us of God's glory revealed in creation.

Take time to observe the natural world around you. What aspects of creation speak to you about God's character and love? How does recognizing God's care for all of creation reassure you of His personal care for you?

Consider ways you can be a better steward of God's creation as an act of worship..

# DAY 3

## TRUSTING GOD IN TIMES OF NEED

---

### **Reading: Philippians 4:6-7, 19**

Paul encourages us to bring our anxieties to God in prayer, trusting that He will meet all our needs. Reflect on times when God has provided for you unexpectedly.

How can remembering these experiences strengthen your faith today? Practice replacing worry with prayer, being specific about your needs and concerns.

End your prayer time by thanking God in advance for His provision, cultivating an attitude of trust and expectancy.

# DAY 4 THE VALUE OF CONTENTMENT

---

## **Reading: 1 Timothy 6:6-10**

Our sermon highlighted the danger of constantly striving for more, contrasting it with the peace that comes from contentment in God's provision.

Examine your heart today - are there areas where discontentment is robbing you of peace? How might your life change if you truly believed that godliness with contentment is great gain?

Challenge yourself to practice contentment today by expressing gratitude for what you have rather than focusing on what you lack.

# DAY 5

## GOD'S KINGDOM AS OUR PRIORITY

---

### **Reading: Colossians 3:1-4**

As we conclude this week's devotional, Paul's words remind us to set our hearts and minds on things above. What does it practically look like for you to seek God's kingdom first in your daily life?

Consider areas where your priorities might need realignment. How can you intentionally make choices today that reflect your citizenship in God's kingdom?

Pray for wisdom and courage to live as a representative of God's kingdom in every aspect of your life.
