## ① What You Do

1. Divide the kids into two teams.
2. Direct each team to sit together.
3. Explain the game:

- You will read a question out loud about the Bible Story.
- The teams will take turns answering the questions you ask.
- If a team answers correctly, they will get a "super boost."  
The whole team gets a round of high fives!
- If a team answers the question incorrectly, the other team gets a chance to "save the day" by answering it correctly.

4. One at a time, ask a question about the Bible Story to one of the teams from the "Super Boost" Activity Page.
5. Continue asking questions until all of the questions have been asked and answered.
6. After all the questions have been asked and answered, ask:

- What was your favorite part of the story?
- How did Jacob show God was with him, even when he made bad choices?

☐ "Super Boost" Activity Page

### Inclusive Pro Tips

Some kids might need extra time to process the questions. Be patient and give them a moment to process before moving on.

Some kids might be sensitive to touch. If they don't want a high five, give them a verbal cheer or a thumbs-up!

Consider adding movement to this game by inviting a kid on each team to run to you when they are ready to answer the question.

## ② What You Say

"Jacob made a lot of mistakes and bad choices in his life. But God continued to be faithful to Jacob—and God continued working on His great rescue plan! In Jacob's dream, God spoke the promises to Jacob that He had made to Abraham and Isaac. But God also made another important promise to Jacob in his dream. God said this: 'I am with you.'"

"You see, Jacob had heard about God, but he didn't have the privilege of reading the Bible and learning all of these truths about who God is like we do. But God wanted Jacob to know that He was always with him, so God told him.

"And God has made the same promise to us: He is always with us.

"God is even with us in an even more incredible way! After Jesus' resurrection, when He went to heaven, He sent His Holy Spirit to live inside of His followers. When you become a follower of Jesus, the Holy Spirit came to live inside of you too! So the promise God made to Jacob is true of all Jesus-followers too! 'I am with you.'"

"So no matter what happens, **[BOTTOM LINE]** you can trust that God is with you too!"

**[MAKE IT PERSONAL]** Share how you are learning to trust that God is always with you. Share some of the prayers you are praying to ask God to help you learn to trust that He is with you. Share how you aren't a perfect follower of Jesus, but how you have seen God work for good even when you haven't been perfect.

## ① What You Do

1. Place a line of tape in the center of your group space.
2. Set two sets of "Assemble!" Activity Page Memory Verse cards on the line of tape.
3. Divide the kids into two teams.
4. Create a start line for each team a few feet from the tape line.
5. Direct each team to line up behind their team's tape line.
6. Let each team know which color set of cards is theirs.
7. Explain how to play:

- You will start a timer and kids on each team will take turns running to the tape line, picking up one verse card in their color, and running it back to their team.
- The teams are to continue sending one kid at a time until they've collected all their verse cards.
- Once all the verse cards are gathered, each team is to work together to put the verse in order.

8. Instruct the teams to shout, "Assemble!" and strike a superhero pose!
9. Declare the first team who says, "Assemble!" to be the winner.
10. Cheer the other team on together until they finish.

## ② What You Say

"Whoa! You all worked so well together to assemble this month's Memory Verse! Our verse, Hebrews 11:1, reminds us what faith means—it's trusting in what you can't see because of what you CAN see.

"Even though you couldn't see the finished verse until you worked together, you trusted that each piece you picked up would help you complete it. That's what faith is like!

"We may not 'see' God, but we can look at all the things God has done and trust what He has said to be true.

"God says He loves us. We can trust that to be true. God says that He forgives us. We can trust that to be true. And there's another thing God says: He is with us! Because God is always trustworthy, **[BOTTOM LINE]** you can trust that God is with you!"

### Inclusive Pro-Tips

You can modify the running by offering different pace options like hopping, rolling, etc. You can allow various participation styles by letting some kids be the "assemblers" while the other kids retrieve the pieces.

### What You Need

☐ LEGO® or Building Blocks

## ① What You Do

1. Set LEGOs or building blocks in the center of your group space.
2. Invite the kids to quietly and independently build a tower at their own pace.
3. As the kids build, talk about how trusting God is like building a tower. Each time we trust God, we add a block to our tower.
4. Encourage each kid to think about one way they can trust God. Ask them to say it aloud as they add a block to their tower.

→ For example: trusting God for their family, when they're scared, with friendships, at school, with hobbies, when they're trying something new, when unsure what's coming next, etc.

→ NOTE: Let the kids repeat answers, what's important is that it's meaningful to them.

5. Once their towers are built, take turns praying aloud. Encourage kids to share one thing they're trusting God with.
6. Close in prayer.

## ② What You Say

"Dear God, thank You for loving us so much! You promised that You are with us, please teach us how to trust that You are with us every second of our lives. Lord, we want to trust You with everything, all of these things we said as we built these towers, and we want to connect with You as You are with us every second as we go throughout our lives. Teach us how to connect with You over everything we face in our lives. We love You, and we pray these things in Jesus' name. Amen."

**Transition** → As adults arrive to pick up, ask the kids to share their Jacob's Ladder paper chains and what they represent!

### Inclusive Pro-Tips

Consider allowing kids to work in pairs or smaller groups to support anyone who might find it hard to focus.

If some kids prefer not to speak their prayer out loud, let them know they can pray silently!
