

# Enslavement

**Bereshit 47:4 reads;**

**Then they said to Pharaoh, “We came to dwell temporarily in the land, since there is no pasture for the flocks that belong to your servants, for the famine is severe in the land of Canaan. So now, please let your servants live in the land of Goshen.”**

**....400+ years later**

**Read Shemot 1:5-16**

**Ask: They only intended to ‘dwell temporarily in the land’, what happened?**

**Say: They stayed because Egypt was easy. They became comfortable there, and were enslaved and killed.**

**G-D gives us very clear instructions that we are not to worship idols, or engage in witchcraft, nonetheless many good people fall away from HIS instructions and become enslaved to the world, it’s idols, it’s entertainments, and it’s chemicals.**

**Yermiyahu 5:26 says:**

**‘For among My people are wicked men, watching like bait-layers lying in wait. They set a trap—they catch men.’**

**The enemy is always trying to trick us into giving away our freedom in YESHUA, and trading it for something that will ultimately enslave and kill us. Look at the following images and decide if there is any trick of the enemy that is worth the price of being enslaved.**

**You can show how easy it is to be caught by the trap by showing this video: <https://youtu.be/HUngLgGRJpo> or the effects of enslavement on the following pages. Use wisdom to determine if your class is mature enough for the somewhat frightening images that follow.**

# I'll only try one puff....

I am sure you have heard:

“Vaping is less dangerous than Smoking”

And jumping out of a moving train is a little bit safer than jumping out of a moving plane. Would you do either one knowing you could die?

I am sure you have heard:

“Everyone is Vaping”

Anytime you hear this argument, run away quickly. Widespread popularity is an almost certain sign that the enemy is behind it.

**2 years later:**

# I'll only try one puff....

I am sure you have heard:

Smoking is what “cool people” do

**Because nothing is cooler than having your money and time controlled by a little stick!**

I am sure you have heard:

Smoking is “FUN WITH FRIENDS”

**Because everyone just loves choking on burning bad breath!**

I am sure you have heard:

Smoking is “relaxing”

**So relaxing that firemen have been known to forgo the breathing equipment and go into burning buildings to enjoy themselves and relax!**

OLD HE IS JUST VERY SICK**

**SOMETIMES IT'S  
THE ONES YOU  
LOVE MOST WHO  
PAY FOR YOUR  
ENSLAVEMENT**

**It is not just substances that  
can enslave us.**

**Think about:**

**Social Media**

**Television Shows**

**Peoples Opinions**

**Anything, *even good things*  
like sports, and dance, and  
relationships**

**ANYTHING**  
**that we put above G-D**  
**and HIS word can become**  
**for us enslavement.**
