## HEBREW LETTER OF THE MONTH OF TEVET

This month's letter of the alef-bet is Gimmel. It is the third letter of the alef-bet. Say: "gimmel". Gimmel makes the sound that is similar to the English letter "G" as it is pronounced in girl, but not as it sounds in gem. There is no sound in Ivrit (Hebrw) that makes the 'j" sound. Which is why we say Yosef, and not Joseph. It is written in Talmud that the gimmel is a rich man chasing after a poor man –the dalet 4th letter (dalut means poor) in order to give to him tzedakah (charity). The gimmel indeed resembles someone running, or else the front part of a camel. Camel in Ivrit starts with the gimmel. Trace the gimmel below, and then look at the items that begin with the letter gimmel below; can you read the names aloud? Run your finger underneath the letters and remember that Hebrew is read from right to left.

# Oh, Be Careful

Oh, be careful little eyes what you see  
Oh, be careful little eyes what you see  
There's a Father up above  
And He's looking down in love  
So, be careful little eyes what you see

Oh, be careful little feet where you go  
Oh, be careful little feet where you go  
Our Abba's up above  
And He's leading us with love  
So, be careful little feet where you go

Oh, be careful little ears what you hear  
Oh, be careful little ears what you hear  
The Father's up above  
And He's hearing us with love  
So, be careful little ears what you hear

Oh, be careful little mouth what you say  
Oh, be careful little mouth what you say  
Yeshua is above  
And He's speaking out His love  
So, be careful little mouth what you say

Oh, be careful little hands what you do  
Oh, be careful little hands what you do  
Our Father's up above and

He's showing us His love  
So, be careful little hands  
what you do
