

Who is G-D...on one hand

G-D loves you as your Creator. You are G-D's creation, and HE delights in everything that HE created you to be. Your colouring, your hair, your eyes and your smile are exactly what HE wanted when HE created you. You are special and unique and there is no one else that lives during your lifetime who can do what G-D made you to do.

G-D loves you as your Savior. G-D's love for you is so enormous, and HIS sacrifice is proof of that enormous love. In HIS word to us HE over and over and over again tells us of HIS plan to reconcile Himself to us. Yeshua brings G-D's love straight to you. Yeshua loves you, offers you forgiveness from sin, renews you and makes you whole. HE gives you new life right now in time and eternal life outside of time.

G-D loves you as your King. HIS power surrounds you. HIS majestic design, perfect rule, and undivided attention flow throughout HIS kingdom. HIS power provides, inspires, renews, and restores. HE is worthy of your obedience and loyal (and Royal) citizenship. No one should trump HIS word or HIS rule in your life

G-D loves you as your Father. G-D knows you personally, and he's interested in you. HE listens. HE grieves. HE speaks. HE comforts. HE walks with you on mountaintops and through valleys. HIS love isn't somewhere over there. It's right here, right now, and for always. When you are obedient, and when you mess up. You can go to Him in joy and HE will delight in your dance, and your gratitude. You can go to Him in repentance and HE will dress you in HIS perfect forgiveness, and righteousness. You can go to Him in sorrow, and HE will wrap you in HIS comforting arms of LOVE.

How to pray to Who G-D is ...on one hand

G-D loves you as your Creator. You are G-D's creation, and HE understands every bit of you. Praise HIM that your body works as HE created it to, and ask HIS healing for any part that is troubling you. He is your Creator and your Healer, and your praises and prayers never go unheard.

G-D loves you as your Savior. G-D's love has cancelled out every sin that you repent of. Pray in teshuva (returning) to HIM, ask HIM to forgive your fear, and anger. Ask Him to forgive you for disobedience, and mistakes. Repent and return to right relationship with HIM by requesting HIS powerful sacrifice as payment for every wrong thought and action that you have throughout your day, and your life, and watch HIS love work miracles in your heart, mind, and spirit.

G-D loves you as your King. HIS power surrounds you. There is nothing on earth or in heaven that HE does not rule. Pray that HIS will would be done here on the earth, that every situation would bring about HIS will, and that HE would guide and protect your steps while you do HIS will.

G-D loves you as your Father. G-D knows you personally, and he's interested in you. HE listens. HE grieves. HE speaks. HE comforts. HE walks with you on mountaintops and through valleys. He wants to have a conversation with you more than once a day. Speak with him often, tell Him everything, and listen for HIS responses.
