## **GENERAL**

**Marlys Korthals** of George is giving us a Praise Report today. Her blood tests were steady on Monday and therefore she did not need any transfusions. She had an appointment on Thursday for removing more fluid from her stomach but was able to cancel that because there were no complications. We're just thanking the Lord for answered prayers this week and thank each of you for your prayer on our behalf.

**Doris DeWeerd** of George would appreciate your prayers for her ongoing health issues of dizziness, weight loss and stomach issues. She had a radioactive test for her thyroid yesterday. She would like clear direction for improvement. Please pray she will start feeling better soon.

**Doris Iwen** of Boyden will have a blood test on Friday and then meet with the oncologist on Monday, and she may need to do one more round of chemo. She's very tired but the main thing is that her cancer numbers are in the normal range. She's appreciative of everyone's prayers!

**Ashley Sanders**, daughter-in-law of Doug & Mary DeWeerd, is starting to feel improvement. Thank you for all the prayers for her. They are greatly appreciated.
