

# WOMEN'S WEDNESDAY NIGHT STUDY

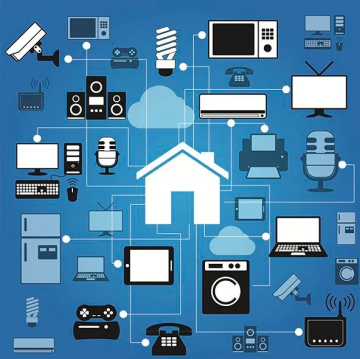

You may or may not know that marriage is a picture of Christ and the church, as stated in Ephesians 5. With that being said, how do we practically live this out? This study, called Sacred Marriage, is not another book on how to have a better marriage, how to have better communication, or how to be a better spouse.....we often already know "how to", but we lack the "heart to". Come join us on Wednesday evenings beginning on September 13, where we will find out that God's design for marriage isn't necessarily about making us happy, as much as it is about making us HOLY. Ladies, whether you are married, single, divorced, or widowed, I guarantee you'll come away with knowledge that will transform every relationship in your life, especially your relationship with Our Lord and Savior, Christ Jesus. Led by Debby Kraai.

**Fireside Room | 7-8:30pm | Wed Sept 13**

# FALL SUNDAY SCHOOL

Making good choices about technology is more than just using internet filters and limiting "screen time." It's about developing wisdom, character, and courage in the way we use digital media, rather than accepting technology's promises of ease, instant gratification, and the world's knowledge at our fingertips. This class is designed for parents and caregivers who desire more understanding and control of technology in the home. Led by Pastor Justin.

**Fellowship Hall (Old Gym) | 10am | Sept 10**

**MEN'S WEDNESDAY NIGHT STUDY**

Paul's letter to the church in Rome came at a time when they needed to understand the foundations and the complexities of their faith. Within its pages, Paul outlines one of the simplest explanations of the gospel found in Scripture. Paul puts his brilliant mind to the task of exploring some of the more complex aspects of our beliefs. He reveals the work of faith in the lives of Abraham and David. He bares his soul as he describes his struggle to live a holy life. He lays a cornerstone of Christian theology. Our Men's Bible Study will begin on October 4 at 7:00 in room 307. Led by Stan Korthals.
