

Hillside Church Youth Ministry Presents:

2024 Senior Retreat

April 19-21, 2024

The main purpose of this retreat is to PREPARE TO STEP OUT as ADULT disciples of JESUS CHRIST

This will be a very relaxed, encouraging, life-giving retreat for the seniors who have been consistently connected to Hillside's Youth Ministry. This retreat is to bring to culmination all the growth and nurture of our retreats, mission trips, camps, TNT's, and life groups. We'll be having deep conversations about following Jesus in real world situations outside of the "bubble" of high school.

We see this retreat as an "EQUIPPING STATION" to send out ministers of the Gospel into a world that desperately needs the Love of Christ! The speakers will be several of our own leaders who have a desire to share and send these students off well. What an amazing opportunity to gather together as the body and walk worthy of the call of Christ!

Total Cost: \$50--Please register online by April 17th & bring in the signed permission form.
