We spent \$4000 from the Good Sam Fund which will be reflected in our Sept. budget. The money was used for various expenses for 15-20 families within our community. We are working with school counselors, social workers and our church application process when distributing Good Sam Funds.
3. **FULLER HOUSING PROJECT:** Sam gave an overview of this nonprofit Christian based ministry. This 501c3 organization helps low income people over 60 with various jobs around their house that they cannot do by themselves financially and/or physically. We voted to learn more about it at our November meeting by inviting Mark Murphy to our meeting.
