Verses

1 Timothy 2 NIV

Talk It Over

Read **1 Thessalonians 4:6-7**. How do these verses tie into what Paul writes to Timothy in 1 Timothy 2:1-2

Ask yourself these questions:

1. What's truly "first" in my life—worry, reaction... or prayer?
2. Have I been treating prayer like a last resort instead of a first response?
3. When was the last time I prayed for someone I disagreed with?

Talk about a time when you were offended by someone or upset about something a politician did. What was your response?

Does Paul's words to Timothy change the way you might react in the future.

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people—for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.

1 Timothy 2:1-2 NIV

1. Prayer Is the Priority, Not the Backup Plan

I urge you then first of all

If the Son of God needed to start with prayer, you better believe we do.

2. Prayer Has More Than One Gear

that petitions, prayers, intercession and thanksgiving be made...

Prayers are like texting God just to say: 'Hey, I love You. Just checking in.' No requests. Just relationship."

3. Prayer Has a Wide Target—Everyone's on the List

be made for all people—for kings and all those in authority...

You may not be able to control who's in power—but you can control who you pray for.

4. Prayer Leads to Peace and Godliness

That we may live peaceful and quiet lives in all godliness and holiness."

Prayer doesn't just change the world around you—it changes the world within you—
