

6-2-22 Thursday Night Bible Study: Ezekiel 6-7

(Ch. 6:1-7) What are some of the Idols you see people worship today? How can we keep our priorities in order with God number one?

(Vs. 8-9) God had a remnant of people who would be preserved through the captivity. How has God encouraged you when you felt like you were the only one and alone?

(Vs. 9) God was crushed by the children of Israel going after idols. Have you every felt crushed like God did? How did you get through it?

(Vs. 10) Have you had things happen in your life that God used to remind you that He is God?

(Vs. 11-14) When have you received times of refreshing from God?
