People helping people live out the unexpected love of Jesus every day. This is Eastern Hills' mission as a church: to help one another be more like Jesus, and to help others hear about, experience, and live out His unexpected love every day.

Our values declare that we are an **AUTHENTIC FAMILY**: We have fun and encourage each other through life's ups and downs. We value **REAL TRUTH**: We dig into Scripture for clarity in a confusing world. **TRANSFORMATIONAL GROWTH** is our third value: We thrive as we learn to become more like Jesus together. And finally, we desire to make a **PRACTICAL IMPACT**: We seek to meet the needs of our neighbors wherever we find them.

DECEMBER 2025

As this comes out Sunday morning, the election day is looming. If you voted early, **THANK YOU**. If you haven't, Tuesday still gives you the chance to vote. Is current policy to your liking or are you looking for something different? Tell the people being elected how you want your government run. Take advantage of having a voice in in **YOUR** government. Remember you can participate whether you voted in the November election nor not. This run off will decide where we go for the next 4 years.

January will turn us to a new direction as we gear up for the upcoming Legislative session. It starts January 20th, but your legislators are already putting together the bills they want to propose. Search the EHBC website for the ERLC link and go to current legislation link. Follow the bill you are interested in and then contact your representatives to let them know how you want them to vote. You can also just let them know what is important to you and what you are interested in seeing them work on. Communicating with your legislator is the only way of letting them know what you think of the bills they are working and voting on.

As always, the ERLC is here for you. Let us know how we are doing and where you want us to help **YOU**.
