LIFE

People helping people live out the unexpected love of Jesus every day.

Friends, thank you for your support, prayers and encouragement the past several weeks during our sabbatical. We unplugged and spent quality time with each other as well as with family. It was a blessing that we will always remember and cherish. Our prayer for our sabbatical was simple, "God show us where we need to grow spiritually so as to serve You deeper." And during that time, He spoke clearly to both of us through Acts 19.

What was spoken was this: We need to be **THOROUGH** with those we counsel and those we are discipling.

We read how Paul spent time to help the disciples understand their baptism in verses 2-4. He took time to ask the right questions. No assumptions were made. He was thorough.

Next, we are to have **SOFT HEARTS**. Yes, humility and grace reign during counseling and discipling; however, there are times that we harden our hearts because we do not take the time to understand the heart of those hurting and seek guidance and prayer. This was displayed in those verses as well. He spent time reasoning and speaking boldly. He took time to make sure he shared the love of Christ.

Right in the middle of chapter 19 was pivotal to both of us. There is a tension between becoming too legalistic and too hands off spiritually. He reminded both of us that we must be **TETHERED** to His Word, His Truth...and be **OBEDIENT** to the Holy Spirit's direction for what He has placed in our hearts.

Thorough-Soft Hearted-Tethered-Obedient

Our prayer as a couple is that we continue to build on the foundation He has shared with us. That we not just hear it and/or speak it but truly walk it out and to daily apply it into our lives, as Marriage/Family Counselors but most importantly as Husband and Wife.

Thank you again church family for the past month. It was so necessary and now we listen and apply His direction into our lives.
