# LIFE

People helping people live out the unexpected love of Jesus every day.

The 'Armor of God' is my prayer every morning (at least I try to every morning). Sometimes I go into battle naked, but that's another article.

A soldier should be prepared even before they put their Armor on so confession, repentance, prayer and worship is preparation for a Soldier in the army of God, in my opinion.

The foundational basis of our faith is TRUTH. So it make sense that we are to 1ST - "Stand, therefore, with truth like a belt around your waist." The foundation of our armor; we are to Stand for Truth, Stand in Truth and Deliver Truth in love because He first loved us. **Buckle that Belt!**

"...righteousness like armor on your chest". I need not remind myself that my righteousness is as 'filthy rags'. So it's not my righteousness that I put on my chest but I ask for the righteousness of Christ to cover my sins, failures and doubt. **Lord, Cover me with Your Righteousness!**

The sandals that Paul is talking about have hob nails on the bottom of them so that as a soldier is moving it is always gripping in and able to move in a forward. We are to have "...feet sandaled with readiness for the gospel of peace." Moving...in action...running towards those that need what we've been gifted with. **Lace up them sandals!**

"In EVERY situation take up the shield of faith...", there are fiery arrows coming our way. This is an instrument of defense we need this and we need it to be strong and in position, In EVERY situation. We need to tend to it and make sure it's strong and ready for EVERY situation, cuz, brother (or sister), those situations are coming at us. **Keep your Shield up!**

Then, "The Helmet of Salvation". It's actually worded "Take the Helmet of Salvation..." A gift; something given to protect the thoughts of our mind, (Philippians 4:8) **Keep your mind on the Fight!**

And, the weapon with which we fight - "The Sword of the Spirit - which is the word of God". It needs to be sharp and made ready to use, which means we need to read it, know it and quote it. **Polish that Sword!**

Notice that all of these things are on the front of us as the soldier - what about the back, isn't it vulnerable? Don't worry, Jesus has your 6. (that's army talk). (thanks Cheryl)

We're in a war here, people, and it's coming into our nations, cities, towns, neighborhoods and sometimes our homes. I feel like prayer is the 7th piece of Armor. Checking in with our commander, seeking where and when he wants us and getting our orders.

Please, Lord, let me be found faithful, Shanna
