People helping people live out the unexpected love of Jesus every day. This is Eastern Hills’ mission as a church: to help one another be more like Jesus, and to help others hear about, experience, and live out His unexpected love every day.

Our values declare that we are an **AUTHENTIC FAMILY**: We have fun and encourage each other through life’s ups and downs. We value **REAL TRUTH**: We dig into Scripture for clarity in a confusing world. **TRANSFORMATIONAL GROWTH** is our third value: We thrive as we learn to become more like Jesus together. And finally, we desire to make a **PRACTICAL IMPACT**: We seek to meet the needs of our neighbors wherever we find them.

ERLC — Politics- There may not be a bigger four letter word to many Christians. But politics is merely the act of government doing business. And we as citizens must do our duty and exercise our rights in the conduct of that business. That means being involved in electing officials that will act in the manner that we see as an expression of our ideas and beliefs. As expressed before, a very small percentage of Christians actually vote and use their rights to try to secure the outcome in an election that will help with the extension of our Christian ideals. What ever your political ideas and beliefs, we on the ERLC strive to keep before the EHBC congregation all the information that we can find to keep you informed, not to influence, but to present the facts as they exist so that you can PRAY BIBLICALLY and reach what ever decisions work for you. On the ERLC link on the Church's website you will find election and candidate information to help in your decision making. Please consult the site and use the available information to come to your own informed decisions on mayoral, school board and city councils races. How our money is spent, how our lives are affected and our children are educated will be decided in these races. If you need more information check in with one of the committee members or send an email to the ERLC with how we can help get you information you need to help you. But VOTE. Make our voices heard.

2025 Mother's Day Offering
For over 100 years the New Mexico Baptist Children's Home has helped children and their families onto a path of restoration. A child's heart can be shattered and all hope lost when they experience abuse, abandonment, neglect or the loss of a parent. The ministry of NMBCH strives to restore hope through unconditional love and care. Eastern Hills Baptist Church partners with the NMBCH through our Mother's Day Offering - **This year our goal is \$4,500** and is only collect that one day, **however**, you can give to the Children's Home throughout the year through your offering at Eastern Hills.
