------------------	-------------

(no glass)

Pasta & Pasta Sauce	9/21
--------------------------------	-------------

(no glass)

Canned Pasta Meals	9/28
---------------------------	-------------

Hope Kids will be helping to fill the shelves of our local food banks for the month of September.

During these times there are many families struggling to afford enough food. Let's take this opportunity to show our kids how easy it is to serve others by helping our community have access to nutritious meals!

* Please bring the requested item during the service you attend, and drop them into the bins provided.
