HOPE KIDS

We believe kids are the future and it's our goal at Hope to provide pathways to support you as you lead them in their walk with Christ! We offer a power-packed weekend program during every service for infants - 5th grade. **CLICK HERE** for additional details.

It’s not easy being a teenager, and it’s our hope that we can come alongside families and their students to help them discover who God is and how to follow Him. We host weekly services at each campus on Wednesday nights. **CLICK HERE** for information about weekly services and parent resources.

Here at Hope Fellowship, we believe community is of the utmost importance. While this is true for everyone, it is especially true for young adults. Young adults face so many unique challenges, and facing those challenges alone can feel overwhelming.
Our goal is that as a young adult, you will find community who can support and encourage you through the ups and downs; community that will help you move towards the center of God's purpose for your life. We believe if you can find that, those challenges that once seemed to carry a lot of weight won't feel quite as heavy. **CLICK HERE** to learn more about what groups we have to offer.

GROUPS

Here at Hope we believe that community is an essential ingredient to growing in your faith. The best way to make a big church feel smaller is by joining a group. Whether you are looking to find a home group, a virtual group, an in-depth Bible study or class, or community with people that share common interests, we have a group for you! **CLICK HERE** to find an existing group or to lead a group.

SERVE OTHERS

We believe in an active faith in God and a lifestyle of serving others. Jesus modeled this, as Mark 10:45 says, “For even the Son of Man came not to be served but to serve others and to give His life as a ransom for many.”

CLICK HERE to find out how you can join us as we reach out to others through ministry teams, local outreach, and mission trips - serving our church, our community and our world.

“For I know the plans I have
for you,” says the Lord. “they
are plans for good and not
for disaster, to give you a
future and a hope.”
