Family, Friends, & Ministry Partners—
We reflect on the great privilege of sharing
the Good News in many places, to many
people, so far this year; with great excitement,
we anticipate the thrilling ministry
opportunities still ahead! This summer our
team is busy preparing for outreaches this
fall, as well as our El Salvador Festival in
March 2026 (planning has already begun)!
Please stay tuned for more details! Thank you
for making ministry possible. We simply
cannot do what we do without you! As you
pray for us, know we are praying also for YOU!

All Our Love, *Mike & Crystal*
