Dearest Friend,

Our outreach in Colombia is coming soon and **we are in need of YOU!** We hope to reach the entire island of San Andrés with the Good News and love of Jesus! Please consider partnering with us in any (or all!) of these three ways:

**PRAY:** *We know the Lord bends down to listen (Psalm 116:2) as we praise Him for who He is, and ask Him for what we need!* Join us in contending for the people of San Andrés and for favor and provision as we serve them.

**GIVE:** *Your generosity is the key between us wanting to make an impact, and actually doing so!* Without you, we simply cannot be as effective in reaching the lost for Christ. To make a donation visit [www.mikesilva.org/give](http://www.mikesilva.org/give). Thank you for being a difference-maker!

**GO: COME WITH US!** I have discovered when I step out in faith to serve others, I too am tremendously blessed as a result. I believe the same will be true for you! To learn more, and to sign up for our Colombia Serve Team, please fill out the form at: [www.mikesilva.org/serve-with-us](http://www.mikesilva.org/serve-with-us)

We appreciate your timely response, and know that I'm so excited to serve alongside you, and to answer this 'call' together!

Every Blessing,  
-ms
