-COME SERVE WITH US-

Dearest Friends-

Although our Festival and Serve Team outreach is scheduled for March 10-16 2026, our team is already on the ground in El Salvador and the work has begun! As a result, expenses are accumulating, making 2025 our most crucial time for financial support. This outreach is far more than just a one-week event...it's a 9-month mission! Between July 2025 and March 2026, ministry will be taking place including:

- Hosting multiple conferences and trainings for Pastors and Leaders as well as special events for Sunday School Teachers, Pastor's Kids, and a Marriage Conference for Pastors and Wives
- Training in Evangelism and Discipleship
- Visiting all 24 prisons across the nation, sharing the Good News of Jesus
- Training local counselors for long-term discipleship
- Leading compassion projects to meet tangible needs
- Coordinating a U.S. Serve Team (March 10-16)
- Holding a nationwide Evangelistic Festival (March 14)
- Preaching and ministering in local churches
- ...and much more!

Approximately 70% of our expenses are due by December 31, this makes our immediate financial needs this year, critical. YOU can make a tremendous difference in the lives of many, having an eternal impact through this endeavor.

-OVER-

A note from Bayron Lechuga, VP of International Operations, MSI

"While El Salvador remains under a state of emergency that restricts all access to correctional facilities, our team was granted special national permission to carry the message of hope into all 24 prisons across the country, reaching an incarcerated population of nearly 148,000 people.

This prison outreach will take place in the months leading up to the Festival, but two historic moments are being reserved for the festival week itself:

- At La Esperanza (Mariona) Prison, [we] will lead a mini festival inside the prison yard. With approval to gather up to 5,000 inmates. This outreach will directly impact thousands of lives, many of whom are scheduled for release within the next 3-5 years. This is not just prison ministry—**it's family restoration waiting to happen!**
- In CECOT, the largest and most secure prison in Latin America—home to the highest-ranking leaders of El Salvador's gang structures—Mike Silva has been granted exclusive access to share the Gospel with all 28 national gang leaders. No other evangelist has ever received such an opportunity. This moment will take place under extreme security protocols and will stand as a **historic declaration** over the nation."

Praise be to God for the incredible doors already being opened!

Today, we are searching for champions of those in El Salvador who are desperate for help and hope. Will you, friend, please be one of them?

With collective contributions at each giving tier, we can raise an estimated **\$76,000** by year's end to effectively practice and proclaim the Gospel in El Salvador! However, the only way we can pull this off, is TOGETHER, with YOUR HELP!

Whether you feel called to PRAY, GIVE, GO, (or all of the above!), **NOW is the time to partner together...for the sake of the Gospel, and those still waiting to hear it!** On behalf of the least & lost of El Salvador, DEEPEST THANKS—in advance—TO YOU, for your compassion!

Expectantly & Gratefully Yours,
Mike Silva
