Our team will join together in collaboration with African Enterprise for 'Proclamation Week' in Accra, Ghana, Africa. Our mission theme is 'Christ in you, the hope of glory!' The cumulative reach of impact expected from this outreach (over the past 12+ months) is 200,000 people and counting! We are honored to join with the Lord in the powerful work He is so evidently doing through African Enterprise in Ghana. We are eager and expectant for an incredibly fruitful time. *Please be praying with us and for us...* more to come!

MISSION OBJECTIVES

• Notes from Emmanuel Kwizera, International Missions Director ; Bernard Owusu Sachie, AEE Ghana Country Director, African Enterprise

1. The Mission aims to revive evangelistic disciple-making passion among Christians, equip them to witness to unbelievers and lead them to Jesus Christ.
2. The mission will seek to train the Church on stratified evangelism so that it will become part of their practices.
3. The Mission will also target the youth, leading them to Christ and encouraging them to adopt a nation-building mindset and abstain from reckless lifestyles.
4. Finally, through our engagement with city leaders (Leaders Meetings), the mission will enhance the leadership skills of both Christian and non-Christian leaders in the public space.
5. At the end of the day, we hope that the Church will experience a spiritual revival and growth, with more evangelists coming forward after the Mission. The ultimate goal is to transform the city of Accra with a new life in Christ.

Thank you- in advance- for your support!
