1. What are some tough questions YOU would like to ask God someday?
2. What similarities or differences do you see between Habakkuk's world (Jerusalem, roughly 600 BC) and our world today?
3. Habakkuk was "burdened" by what he saw in his world. What specific BURDENS do you feel over Berks County, our nation, and our world?
4. God ultimately answers every question in Christ. Think about Habakkuk's burning questions regarding God's Character and how this plays out in the world. At what point is your GRACE exhausted? When will we see your JUSTICE? How are those questions resolved in Jesus Christ? How does that impact your life?
