DISCUSSION QUESTIONS

1. Have you ever felt "jealous" of those wicked people who appear to prosper, while you yourself were struggling? What is one specific time or example of this that you can think of?
2. Have you ever been part of a church that did not preach the full counsel of the Bible (and specifically that Salvation is received by faith in Christ alone)? How did God work in your life to move you out of that church and into a better understanding of the Gospel?
3. How do you see the examples of the Fallen Angels, Noah and the Flood, and Lot escaping Sodom & Gomorrah telling the story of the Judgment Day (Christ's Second Coming / Day of the Lord)?
4. Although we are called to "make every effort" to live a Godly life, our salvation and hope of Heaven do not depend on our ability to hold onto Jesus ... but on HIS ability to hold onto us! How does this truth encourage you today?
