It is vital for every adult at Heartland Church to have strong relationships with other believers. If you are not yet connected to a small group, you are invited to join one of these new Community Groups. Each one offers a relational environment where you will be challenged to grow in your faith and be loved by a small group of believers. New groups will begin meeting in February. Information on the Specific Groups, go to heartlandpaducah.life.

A new semester of Greif share starts January 10th in room 114. A GriefShare support group is a safe, welcoming place where people understand the difficult emotions of grief. Through this 13-week group, you'll discover what to expect in the days ahead and what's "normal" in grief.... Since there are no neat, orderly stages of grief, you'll learn helpful ways of coping with grief, and gain solid support each step of the way.
