

FORMATION JOURNAL

Volume Seven
January – May 2025

NONACHURCH

Dear Nona Church Family,

One thing we have believed at Nona Church from the earliest days is that the invitation of Jesus is into a lifelong journey to follow Him — one step at a time. That is why our mission is to help every person know and take their next best step in following Jesus. Our team has developed this resource to help you strengthen your walk with Jesus on a daily basis this year. The Formation Journal is designed to guide you into God's presence through intentional prayer, Bible reading, and personal reflection. I'm reminded of the words of Paul when he writes:

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and prove what God's will is—His good, pleasing and perfect will. Romans 12:2

We live in a world and culture that wants to conform us to a pattern that is oftentimes opposed to God's heart for our flourishing. We know the process of transformation happens by renewing our mind with Scripture over time and in community. With this process of transformation in view, we encourage you to allow this journal to supplement, or even guide, your spiritual life. Use it as a tool to help you form new or better habits, and trust that God will use His Word by the power of His Spirit to change your life.

Our team has been intentional in designing this journal so you can easily engage with God in weekend sermons, Bible reading, prayer, and reflection. The following pages will give you some insights on how to best experience all that the Formation Journal has to offer.

We know that God's desire for you is to experience the peace, joy, love, and hope that comes from His Presence every day, and we're looking forward to seeing how Jesus invites you to follow him one step at a time this year!

God Bless,
Pastor Collin & Stacey

VISION

We exist to be a family of neighborhood churches walking in the way of Jesus for the renewal of our city and world to the glory of God.

WEEKEND SERMON NOTES

Each week, this journal has a place to take notes and reflect on what you are learning through the teachings. We have provided extra space to jot down the big idea from the sermon, any questions you might have, important thoughts you want to remember and next steps towards Jesus you are ready to take. We pray this area will help you not just take in information but lean into the transformation that the Holy Spirit brings through His Word.

DAILY GRATITUDE

Each day you will have the opportunity to reframe your perspective around gratitude. By thanking God for how He is at work in our lives - in seasons of ease and difficulty - we can experience the gentle, restorative leading of God's shepharding hand. Use this space to thank God for how you're experiencing who He is and what He is doing in your life.

WEEKLY REFLECTION

At the end of each week, you'll receive a prompt to spend time reflecting on your personal discipleship to Jesus. These prompts are meant to draw your heart into honest engagement with God, perhaps in gratitude, confession, adoration or repentance.

BIBLE READING PLAN

Throughout this journal, you'll have the chance to draw on the spiritual riches of the Bible as you learn from God through His Word. In Matthew 13:52, Jesus teaches that anyone who is His well-trained disciple skillfully draws out the treasure from God's Word. God has spoken to us by giving us both the Old and New Testaments as a treasure trove of grace and truth so we would know, love and follow God each day.

Whether you have been following along since January or are just joining in, you will go deeper in your understanding and appreciation of God's Word. In this volume of the Formation Journal, we will explore the Old Testament wisdom literature and walk through historical accounts of the life and ministry of Jesus.

New Testament:

Mark
Acts
Hebrews
Galatians
James

Old Testament:

Genesis
Exodus

Wisdom Literature:

Psalms
Proverbs

In Psalm 1, the psalmist tells us God's Word is meant to delight and nourish us, like a tree planted by streams of water that thrives and grows because of its proximity to the source of life. We pray this journal will help you take in the life-giving Word of God each day, drawing you closer to the heart of Jesus.

Every time you start a new book of the Bible, you will see a QR code that when scanned will direct you to a 6-10 minute intro video, designed to help give you background and context for the book you are about to read. Whether this is your first time reading the Bible or you have read through it multiple times, this will be an interesting and helpful resource.
