Youth

GCBC Youth joined five other groups at First Baptist Murrells Inlet for a night of worship themed around 'Relentless Grace.' Students enjoyed games together, worship, and an impactful message. Ministry is better together, and we love joining up with local groups to promote fellowship with other student believers!

Mobile Meals of the South Strand

Delivering Meals with Care and Compassion, our Mobile Meals branch operates on the foundation of community, care, and connection. With the southern part of the Grand Strand as our canvas, we paint brighter days for the elderly, ill, and disabled through the simple act of delivering hot, nutritious meals. Our volunteers are the heartbeat of our mission, offering not just nourishment but also a moment of companionship and a friendly check-in. Together, we're creating a network of support and warmth, ensuring no one is left behind.

To be a volunteer, contact Doug & Linda Clark at 843-299-1100

Looking ahead, New Directions is thrilled to share that in 2026, they plan to break ground on a new shelter facility thanks to a generous financial commitment from Horry County. These efforts are essential as we work to meet growing needs, particularly as our women's shelter remains consistently at capacity and demand for emergency and longer-term stays continues to rise. This new facility will provide improved spaces and, most importantly, more beds, allowing us to expand emergency overnight stays and increase long-term capacity for women. This transformative step forward would not be possible without your continued belief in our mission.

MUSIC MINISTRY

February is a time when stores place Heart shaped candy boxes and stuffed animals out to remind men to not forget Valentines Day. However, these expressions of love should not just be on Valentines Day. The same is true of our worship. We should daily worship the Lord. We need to talk to Him and Praise Him every moment we can. Our worship should never be confined to Sunday Morning. When we come to church on Sunday, it should be a culmination of a week-long worship time with the Lord. Our relationship with the Lord should get sweeter and sweeter as the days and years go by. Stop right now and worship the Lord. Go ahead and practice for Sunday and bring your best praise offering to the Lord in worship with the family of God. I'll see you Sunday!!!!

MEDIA MINISTRY

Stargirl by Jerry Spinelli is one of the most unique books I have ever read. When eccentric Stargirl Carraway arrives at Mica High School she really shakes up the student body. At Mica High everyone tries to conform so they will blend in. Stargirl stands out by wearing explosive colorful dresses, carrying a pet rat, singing to students on their birthday and cheering for both teams at sporting events. Students are captivated by her uniqueness and kindness, at first. She captures Leo Borlock's heart with one smile. Leo has always followed one unspoken rule at Mica High, don't stand out. Everything changes when Stargirl burst into the tenth grade and his world. When students begin to shun her, Leo is desperate to save her. He urges her to become the very thing that could destroy her: normal, become the same as everyone else. Stargirl is thought provoking. Do we change who we are for the people we love? How important is it to be popular? How about peer pressure and conforming just to fit in? This is a heartwarming story with a positive message about being true to oneself.
