MUSIC MINISTRY

I am looking forward to having a choir in our worship service on **Sunday, December 7th**. This will be the beginning of our Christmas Celebration as a Church family. **The sign-up sheet is in the side hall** for those who want to join us. **We will begin rehearsing for this Celebration Service on October 8th** at 7:00PM in the Choir Room. Encourage your friends to come join you in this special Celebration Choir.

While the Christmas Story never changes, it has a message that is timeless and brings great hope into our world. Let's join our hearts together to make Christ the center of our Christmas this year in our church, our homes and our world. Tell someone about the Babe in a Manger and let them find the true meaning of Christmas this year.

MEDIA MINISTRY

The Media Library is having a special slide-show presentation to honor our Veterans during November.

If you or anyone in your family served in a branch of military or currently serving, please bring a photo to the Library or email to the office or Phyllis Gore.

All photos will be copied and returned.

Students of the Trinity Homeschool Group will be using the Library during the school year.
