2025 MOSAIC

We talk about centering ourselves around the person and work of Jesus, but what does that even mean and how is it lived out? We talk about the good news of the gospel, but what does that mean and how is it actually good news? Who are we as a church called to be, and what are we called to do? Paul's passionate words to the churches in Galatia speak to these questions, speaking the dangers of communities centered on Jesus and clarifying the nature of the gospel of Jesus. The great letter has much for us today, and we look forward to diving into it together this fall.
