

**ACTIVATING MY CALLING** *"Therefore, brethren, be even more diligent to make your call and election sure, for if you do these things you will never stumble."*— 2 Peter 1:10 (NKJV)

**Calling-** is my invitation. **Election-** is being Chosen for the Kingdom with God Purpose.

### **My Calling Begins and Ends with God**

To activate that calling is to step into what Jesus has already placed within me, allowing His Spirit to release power, purpose, and ministry through my life. **Everything** begins with Him and flows from Him.

**Activate: to bring into operation what has already been prepared. Spiritual activation is...**

- Answer the Call – Respond, "Here am I, Lord, send me."
- Agree with the Caller – Come into covenant with God's plan.
- Stay Connected – Maintain relationship through prayer and the Word.
- Walk It Out – Daily obedience and submission.

### **Examples:**

Isaiah – "Here am I! Send me." Isaiah 6:8

Esther – "If I perish, I perish." Esther 4:16

Mary – "Let it be to me according to Your word." Luke 1:38

Each **"yes"** was more than words, it was action, a lifestyle of obedience, faith, and perseverance.

**Activation:** Like a new cell phone, we are designed for connections. Yet potential (untapped power) means nothing until the phone is activated.

### **Activation requires:**

1. Agreement — the contract that links it to the source.
2. Connection — the signal that keeps communication alive. Sending and receiving.

If I stay in covenant and keep a connection in prayer, then God will release strength, wisdom, and power.

**"For it is God who works in you both to will and to do for His good pleasure."** Philippians 2:13

**Witnesses:** We are **"surrounded by so great a cloud of witnesses..."** Hebrews 12:1

- Mary Magdalene overcame shame and carried the message: "I have seen the Lord."
- Lydia opened her home and built a bridge for the Gospel in Europe.
- Apostolic Women through hardship and sacrifice built the bridge we stand on today.

All heard the call and allowed what God placed within them to operate through them for the Kingdom.

### **Activating My Calling**

Activation isn't about starting something new — it's about releasing what's already inside you. The anointing, gifting, and purpose are already there, waiting for your "yes", to covenant, to connection, to action.

"Christ in you, the hope of glory." — Colossians 1:27
