

# Supernatural and Heavenly Places

*“And my speech and my preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power:” (I Corinthians 2:4)*

*“And hath raised us up together, and made us sit together in heavenly places in Christ Jesus:” (Ephesians 2:6)*

## Step into your own **Spiritual Prayer Anointing (SPA)**

*“... he brought me again unto the door...and the waters came down from under from the right side of the house, at the south side of the altar. v. 1*

In verses 2 - 5 of Ezekiel 47 we see that the waters are at the:

Ankles,

Knees,

Loins ...

And then Waters to Swim in.

*... at the bank of the river ... the waters shall be healed ... every thing that liveth, which moveth, whithersoever the rivers shall come, shall live:*

## The Five-Fold Levels of Anointing:

### **Level 1 – Observation:**

- Ezekiel observed the waters flow from the temple of God.
- Instead of activating the Spirit within, some become spectators of God's power.
- They watch others flow with the anointing, but never experience it for themselves.

### **Level 2 – Ankle-Deep:**

- Some believers only desire to experience a shallow walk with God and seldom go beyond the point of self-interests.
- They are not in a position to impact those around them positively, and they seldom desire greater spiritual anointing/gifts.

### **Level 3 – Knee-Deep:**

- This level of the anointing desires a deeper experience with God that is partial and gravitates in and out of self- and external interests, yet restricts the pursuit of deeper depths in the supernatural realm of all that God has in store.

### **Level 4 – Waist Deep:**

- This status denotes influence, procreativity, and productivity in reaching beyond the scope of internal interests.
- It involves interaction with others, as engaged in a measure of ministry, yet not fully submitted to the flow of the Spirit.

### **Level 5 – Immersion:**

- This represents believers who adhere to the voice of God, in obedience to His Word, by pure faith.
- They are led by the Spirit of God and produce much fruit (Romans 8:14).
- A measureless supernatural prayer anointing will prevail!

*“Prayer to a person should be like water is to fish.”*

### **Tips on Advancing in the Levels of Supernatural Prayer Anointing:**

- Even when you do not *feel* the anointing, *know* it is present; God will touch people!
- In prayer, God wants us to have anointing and authority.  
The *anointing* of God empowers us to pray more effectively and also to do some things beyond our natural ability,  
but  
the *authority* of God ... is a step further ... and helps us to take dominion and power in directing the anointing!

God wants you To speak on behalf of God’s kingdom in the heavenly realms, and it comes to pass.

Our intellect, logic, and reasoning can sometimes minimize the work of God in the sense that the manifestation of God’s power is not maximal.

If we remain in the state of mind of always thinking in the natural, then how are we ever going to be able to enter into the supernatural?

To experience God’s anointing we should not seek self-importance, else we may fail (I Corinthians 6:20; Psalm 24:3–5).

*In Exodus 30:32, God said that He will not pour his anointing on men’s flesh.*

### **SPEAK POSITIVE:**

Proverbs 18:21 says, *“Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.”*

### **God Wants to Use You:**

*You can’t start the next chapter in your life if you keep rereading the last one.*

Every day is a second chance. It’s Never too late to be what you might have been.

### **God wants us to move from the natural to the supernatural.**

When you bring yourself into alignment with God and the throne of God. That is where He will manifest the traits of His kingdom.

It was Dwight Moody who said, “God sends no one away empty, except those who are full of themselves.”

### **Tap into the Spirit realm ... the supernatural!**

*“Go into the third heaven and pray until you see a cloud the size of a man’s hand!”*

*Remember, talent turns heads, but anointing turns hearts.*
