Verse 1 (Solo)

Loved before I had a name
Washed before I knew my shame
O the lamb was slain
Before the Earth was laid
What an awesome price He paid

Chorus (Solo)

I owe it all
All to Jesus all
Every part of me
Lying at His feet
I owe it all
Let every breath I take
Rise to bring Him praise
To the glory of one name
Jesus

Verse 2 (Solo)

Nail pierced hands are holding mine
A crown of thorns has freed my mind
Sin cannot exhaust
The grace shown on that cross
Mercy bought back
What was lost

Chorus (Parts)

Bridge 1 (Solo)

Blinded eyes will one day see
Every loss made victory
There is healing in one name
One name

Bridge 2 (Solo)

He has silenced every foe
Every high thing brought down low
There is freedom in one name
One name

Bridge 3 (Unison)

And soon everyone will know
There still lives a blessed hope
Our salvation's in one name
One name

Bridge 4 (Unison)

He will one day come again
To the praises of all men
