MINISTRY UPDATES AND UPCOMING EVENTS

noun

noun: disciple; plural noun: disciples

a personal follower of Jesus during his life, especially one of the twelve Apostles.

• a follower or student of a teacher, leader, or <u>philosopher</u>.

The word disciple is one of the most misunderstood words in the church. If you ask ten people what it means to be a disciple, you will more than likely get ten different answers. While all the answers may share some similarities, this often creates confusion. The unfortunate side of this confusion is that the church's mission is to make disciples. How can the church make disciples if we do not understand what it means to be a disciple?

Beginning in the fall, we will initiate the process of exploring what it means to be a disciple. As part of this process, we will be starting small groups on Wednesday evening, using the book "Practicing the Way" by John Mark Comer. In August, we will start a sermon series, "Covered in the Masters Dust." we will be discussing the discipleship process and our church. So I invite you to begin praying today for our church as we work to understand what it means to be a Disciple.
