Building Healthy Families: Despite living with physical, emotional and financial challenges and through social and political upheaval which often separated them by many miles and at times threatened life itself, Martin & Katie Luther created and sustained a marriage and family life characterized by faithfulness, mutual respect, teamwork and a good degree of humor. As we remember and give thanks for the great reformer and the blessing that his life and work have been to the church, we also give thanks for God's work in their lives which provides us with an example of Christian family life today. May the lives and marriage of Martin and Katie and their love for their children (& other people's children!) remind us of Christ's love for his church and of the Father's great love for us, His redeemed children. There will be a table and poster board along with writing materials for you to add your thanks. **We are truly blessed to have so many who are willing to serve! Let's thank them for all they do.**
