Jason Williamson has been married to his high school sweetheart, Jennifer, for 31 years, and together they have two children, Grant and Grace. He serves as the General Manager at Rawhide Harley-Davidson, where he creates customers for life by delivering a premium experience and mentoring future industry leaders. Over the years, he has held leadership roles as a GM, owner, and consultant, achieved #1 Harley-Davidson sales in the USA, and even spoke at the U.S. Army Command Staff Leadership Conference at Fort Leavenworth.

A life-threatening motorcycle accident gave Jason fresh perspective and a renewed passion to live with purpose. Today, he is active in his church, leads a large Bible study at work, and loves helping men and families pursue all God has called them to do. When he's not riding, he enjoys hunting, fishing, and spending time outdoors with his family.

Clay Lewis is married to his elementary school sweetheart, Lindsey, and together they live in Sandston, Virginia with their two children, Brenton and Lia. A devoted follower of Christ, Clay draws purpose and strength from his daily walk with the Lord and seeks to honor God through every part of his life.

An avid outdoorsman, Clay loves spending time in the woods and on the water, enjoying hunting and fishing as ways to experience the beauty of God's creation. He has been featured multiple times on the Outdoor Network for his hunting adventures, sharing his passion with a wider audience. Clay has also walked through the difficult battle of cancer, a journey that deepened his faith and strengthened his resolve to live intentionally for Christ, his family, and the people God has placed in his path.

Tony Totta and his wife, Sarah, have four children and were part of the core group that planted New Life CityChurch in 2007. Since then, Tony has faithfully served as an elder, overseeing the youth department and helping lead CarePortal outreach to meet the needs of vulnerable children and families in the city. He has a deep passion for fatherhood and for integrating faith into everyday life, whether at home, church, or in the community.

Professionally, Tony is the Executive Vice President of Sales at eShipping, where he invests in people and develops leaders in the marketplace. He loves creating spaces where others can thrive and experience God's goodness in their work and personal lives. Outside of work and ministry, Tony enjoys hunting with his kids, supporting their sports activities, and cheering on the Kansas City Chiefs.
