

**HOPE+**  
COMMUNITY CHURCH

The Word of God shapes who we are and who we will become. At **Hope Community Church**, our vision is to *Proclaim Hope*, *Build Christian Community*, and *Live Sent*. Daily Scripture reading is what turns that vision into reality.

**Proclaiming Hope** starts in the Word.  
**Building Christian Community** grows as we follow the Word together.  
**Living Sent** overflows as we obey the Word and go into the world.

You are encouraged to journal while you are reading through the Scripture. One suggestion is to use the **H.O.P.E.** journaling method:

## **H — Hear the Word**

Slow down. Read with expectation. Let Scripture speak first and loudest.

## **O — Observe What It Says**

Notice truth, promises, commands, repeated words, and what is revealed about God and His people.

## **P — Pray the Scripture**

Respond to what you've read. Praise Him, confess sin, ask for help, give thanks, intercede for others.

## **E — Engage & Live Sent**

Let the Word move from page to practice in your home, workplace, friendships, and our community.
