PRAYER REQUESTS

CELEBRATION

Vincent Hayaychik, Fawn Hanson's nephew:

Graduated from U.S. Marine Corps Boot Camp at Paris Island, SC this past Friday. Fawn and her sisters were present for the ceremony. Fawn said, "I ask you to be praying for God to protect and keep Vincent safe while he protects and serves our country and its freedoms. Thank you, brothers and sisters."

A hearty "Amen" to your request, sister. We pray for all those men and women (and their families) who are in service to our country... no matter where they are or what their role is.

Corey and Enisha Carlisle: Were blessed with a precious new addition to their family! Baby Audrey was born on Friday, August 15th, weighing 7 pounds 4 ounces. Mom and baby are doing great! Sign up to take the family a meal or give gift cards at mealtrain.com/kyzwgd.

MEDICAL

Kim Doris: Has had another flare up of her GI pain. We pray that the injection she received this week will provide lasting relief and ease her pain and discomfort. Kim, you are a joy, and you brighten our days. We love you and pray for God's comfort and healing.

Loretta, Tommy Bradford's sister: Loretta will undergo additional radiation treatments for a pelvic mass. We pray this will stop its growth and reduce its size. Loretta was also recently diagnosed with a cardiac tumor. May she experience God's healing hand and the Spirit's

peace; may her family be strong as they stand by her side.

Anna Watson: Returned home earlier this week after a stay at Northside Hospital Forsyth for high blood pressure and chest pains. The dangerously high blood pressure seems to have been the reason for Anna's chest pains. Neldon said, "We are so grateful for the prayers and for our loving Heavenly Father, who hears and answers prayers! Hopefully the medication will help keep the blood pressure under control. Thank you all for your love and prayers! May God bless each of you."

Susan Boling: Susan continues treatment for severe lower back pain at a rehab facility in Cumming while dealing with some other health issues as well. Please pray that Susan will be able to navigate these medical challenges. We ask our Heavenly Father to bring healing from the back pain, any residual blood infection, and digestive issues, and to give her strength and peace.

John Wood: John continues his chemo treatments for pancreatic cancer every few weeks. He has gained back some weight and is actively walking each day. He still deals with periodic weakness and nausea after treatments but is able to eat. Please pray for strength for John, full remission of the cancer, and complete healing. Pray also for Alicia and their entire sweet family.

Bo Edwards' sister, Calli: Continues to deal with mental health issues. Please pray for Calli and her family in these ongoing struggles, that the issues will be resolved and the household

Continued on reverse...

will have peace. Please pray also for Bo as he is ministering to them.

Bobby McVey: Is continuing successful recovery from heart bypass surgery and lung cancer. Thanks and all praise be to God!

SAINTS AT HOME

Please remember in your prayers the following GC members who have ongoing health issues and are unable to attend worship services:

Esther and Russ Johnson: Esther's ongoing struggles with Parkinson's and digestion issues, and husband, Russ, as her caregiver.

Bert and Joyce Blackwell: Bert's declining health and wife, Joyce, as his caregiver. Please give Joyce a call of encouragement.

David and Carolyn Wheeler: David cannot be around large crowds due to his weak immune system. However, he and Carolyn are happy to have calls or visits.

PRESCHOOL: This month, we are taking our preschoolers on an exciting journey to the moon and back as we teach them that God made everything. We want our preschoolers to know that this beautiful world they live in was created by our loving, creative, and powerful God.

KEY QUESTION: Who made everything?

BOTTOM LINE: God made everything.

MEMORY VERSE: ““God saw everything he had made. And it was very good.” (Genesis 1:31 NIRV)

ELEMENTARY: Every story has a beginning. As we explore Creation, the Fall and other pivotal moments in the origin of our faith, kids will discover that not only did God create everything, but even after people chose to go their own way, God had a plan to restore us. We look forward to the fulfillment of that plan in Jesus.

FAITH: Trusting in what you can't see because of what you can see.

MEMORY VERSE: “Faith is being sure of what we hope for. It is being sure of what we do not see.” (Hebrews 11:1 NIRV)
