PRAYER REQUESTS • NOVEMBER 2, 2025

IN MEMORIAM

Ray Allen: We are saddened to announce the passing of GC member Ray Allen, father of Frank Allen, on October 25, 2025.

Services will be held this Sunday, November 2nd at Roswell Funeral Home, with visitation at 1:00 p.m. and celebration of life at 3:00 p.m.

In lieu of flowers, the family requests gifts to be given to Georgia Agape in memory of Ray Allen. Ray's obituary may be viewed at the following link: dignitymemorial.com/obituaries/roswell-ga/raymond-allen-12577980

LIFE TRANSITIONS

Brandy Hicks: Please keep Brandy in your prayers. She recently lost her job, and we're asking the Lord to provide wisdom, peace, and clear direction as she navigates this transition. May new opportunities arise soon, especially with the holidays approaching.

MEDICAL

Karen Walker: Karen is recovering after undergoing a hysterectomy this past Wednesday at Northside Hospital Forsyth. Her doctor reported that the procedure went well, and Karen came through with "flying colors". Please pray for her comfort and a smooth, speedy recovery. Also remember her husband, Todd, as he supports and cares for her during this time.

Tyler Davidson: Tyler was recently diagnosed with a rare congenital heart condition that went undetected until symptoms appeared in

recent months. Doctors have scheduled a heart ablation procedure for December 23rd. Until then, Tyler must avoid physical exertion and stress, as his condition is serious and potentially life-threatening.

He is currently on light duty at his job with the Cherokee County Fire Department in Dahlonega. His wife, Tori, is asking for prayers from the Grace Chapel family—that Tyler can rest, remain stable, and undergo surgery as planned. If successful, the procedure should allow him to live a normal, healthy life. Please pray for peace, patience, and full recovery so Tyler can return to serving his community at full strength.

Grace Brown: Grace has begun chemo treatments for her recently diagnosed lung cancer, taking daily oral medication and weekly infusions. As our dear sister Grace faces the challenges of treatment and its side effects, please pray for resilience, strength, and peace and that God removes the cancer entirely from her body.

John Wood: John and Alicia will be in New York City for the next three months, where John will be participating in a 30-person experimental trial for his pancreatic cancer. They are staying with the minister of 10th Street Church of Christ and family until they can move into their apartment next Tuesday. They'll be located only four blocks from the treatment center; treatments will begin on Monday.

Please pray for the success of this trial and that the tumors and pain they are causing will be totally gone. Pain management is especially

difficult right now, as one of his usual pain medications can't be used during the trial. Pray that God provides relief, strength through any side effects, and full healing.

Jane and Doug Gilliard: Both are dealing with ongoing medical situations. Doug is recovering nicely from an extensive surgery to mend his hip and will soon begin water aerobics to help regain strength. Jane is in physical therapy after recent x-rays revealed that her broken right wrist and elbow are healing well. Please continue to pray for full recovery.

Susan Boling: Susan recently began outpatient physical therapy at Champion rehab in Cumming to deal with the severe back, hip and knee pain, and will be seeing a pain management doctor. She is hoping to ease some of the pain as she works her way toward having a hip replacement.

Calli (Bo Edwards' sister): Calli is currently receiving care at a mental health facility in Charlotte, NC. She recently began a series of intermittent medical procedures which doctors hope will help change her brain chemistry and ease the intense depression and involuntary muscle movements she's been experiencing. We pray for healing from her mental health issues, renewed motivation, and peace in her home with her husband and their special needs son.

Bo Edwards: Please pray for Bo and his mother during this time of great family stress. Bo holds a critical role at his software company and is currently working nearly around the clock to meet an important proposal requirement. Heavenly Father, be with Bo as he copes with a demanding job.

OUR SICK AND SAINTS AT HOME

A big "thank you" to so many who are reaching out as the Spirit prompts you to our dear brothers and sisters who are experiencing trials and tribulations, both medically and spiritually. Cards, phone calls, and visits are so appreciated. Please remember in your prayers the following GC members who have ongoing health issues and are generally unable to attend worship services:

Esther and Russ Johnson: Esther continues to face a number of health challenges, including Parkinson's disease. She has recently grown very weak with trouble breathing. She had a breathing and cardio test this past Tuesday and is awaiting results. We pray that God will give strength and vitality to both Esther and Russ, and that they will stay positive despite the obstacles they have been facing.

Bert and Joyce Blackwell: Pray for Bert's declining health and for Joyce as his caregiver. Joyce says that they continue to hang in there. Melissa Boyle is continuing to help coordinate meals; you may sign up to take a meal at mealtrain.com/trains/yrzl3k. Feel free to give Joyce a text of encouragement (**no calls, please**); she so appreciates it.

David and Carolyn Wheeler: David cannot be around large crowds due to his weak immune system. They continue to be in and out of doctor's offices on a routine basis but are keeping wonderful, positive attitudes. He and Carolyn are happy to have calls or visits.

HOW CAN WE PRAY FOR YOU?

Send us your prayer requests at gracechapelchurch.com/pray

THIS MONTH'S SERIES: If you're a grown-up and you've been following Jesus for a while, you've probably figured out a few ways to grow spiritually. The kids you're raising, however, aren't grown-ups, so they might need a little help from you to figure out how to grow spiritually.

So, what should spiritual growth look like for a kid? We like to think about it in terms of four spiritual habits. To help kids grow spiritually and launch their faith journey, this month they'll be learning about how to **spend time with God**, **spend time with others**, **use their gifts**, and **share their story**.

THIS WEEK'S LESSON

This week, kids will hear about the time Jesus visited Mary and Martha's home.

BIG IDEA: We can spend time with God.
