Bringing the Hope of Jesus to the World

Pastor Chris Meek

In 2 Kings 6, Samaria, the capital of Israel has been surrounded by the Arameans. “*King Ben-hadad of Aram mustered his entire army and besieged Samaria. As a result, there was a great famine in the city*” (2 Kings 6:24-25).

Read 2 Kings 7:3-4. The four men assessed their situation and considered their options - do nothing and just let things happen or get up and do something.

- 1. Have you been sitting in the same place spiritually?**
- 2. Do you want to be in this same place a year or two from now?**
- 3. What are your options?**

Read 2 Kings 7:5-7. The four men did their part, they got up and moved. God did His part only after the four men took the first step.

- 4. Share when you have taken the first step and God moved on your behalf.**
- 5. Why is it important for you to take that first step?**

6. What step or steps do you need to take to move forward spiritually?

Read 2 Kings 7:8-11. The four men realized that they could not keep to themselves what they had discovered.

7. When you experience the blessings of God, do you keep it to yourself?

8. What is the last blessing you received that you shared with others?

9. The four men were urgent in their desire to tell what had happened. Do you feel an urgency to share with others what God has done in your life?

9. Who in your daily sphere of influence will you tell about the blessings of God in your life?
