

PURSUING GOD'S HEART

1 SAMUEL 18:17-21:15

Crutches come in handy sometimes. But crutches were never meant to be a long-term solution. In fact, complete health means not having to use them anymore. There is a parallel here... To be spiritually healthy we need to lose our crutches. And because our Lord loves us, He will take our crutches away. You see, He knows we won't be what we could be until we learn to lean only on Him...

Pursuing God's Heart means living _____ - _____!

Here are the crutches the LORD allowed David to lose:

- A Good _____ 18:30, 19:8-10
- A Secure _____ 18:20-21, 19:11-17
- A Wise _____ 19:18, 20:1a
- A Best _____ 20:1b-3, 42
- His _____ 21:1-9
- His _____ 21:10-15

Why does the LORD want us to be "crutch-free"?

- Crutches can become _____ for the LORD
- Crutches keep us looking _____
- Crutches give us only _____

"For I hold you by your right hand — I, the Lord your God.
And I say to you, 'Don't be afraid. I am here to help you.'"

Isaiah 41:13
