

FELLOWSHIP GROUPS

PURPOSE

It is our goal through our fellowship group ministry to create a community of believers who seek to be transformed by making the Gospel a regular part of their lives. Our desire is for everyone to be a part of a fellowship group so that each one of us can experience a spiritual family that shares life together, encourages our community, and serves a common purpose.

Fellowship Groups create a unique space where deep, meaningful relationships can develop as we go through life together. They allow us to go deeper, to be vulnerable, to come alongside and encourage one another, and to be the church in the world.

HEBREWS 10:24-25

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

HOW DO THEY WORK?

- **Who:** Groups typically consist of 8-14 people, a mixture of men and women
- **Schedule:** Meet weekly from September to May. Many groups alternate between whole group meetings and men/women only meetings.
- **Content:** Many groups use sermon discussion questions, though others may study a book of the Bible or other material.
- **Childcare:** CBC provides childcare at church on Sunday and Thursdays, for groups that meet those nights.
- **Where:** Most groups meet in individuals homes, located in all areas across the city, and some groups meet at CBC.
- **Demographic:** Most groups are comprised of people in a similar stage of life, though some groups are more intergenerational.
