We will be known as a church body that is a responsible steward of the assets with which we have been blessed.

Finance Team Activities

The primary role of the Finance Team will be to assess how CBC currently handles its finances by looking for ways to improve its financial processes and to encourage even more generous giving to the ministries of CBC by the congregation. The Finance Team meets every 1-3 months depending on the needs of the church.

- Review monthly the financial statements prepared by the Treasurer for the Elder Board for comparison to the fiscal year budget and for any unusual patterns or expenses.
- Review financial related CBC By-laws, policies, and procedures to promote sound internal controls. Provide recommendations for improvements to the Elder Board for approval.
- Contribute to CBC's annual budget process by analyzing Grace Giving patterns and providing a projected amount of Grace Giving to the Elder Board for the upcoming fiscal year.
- Facilitate an independent annual review of the documentation for CBC's prior year giving and expenses to validate the appropriateness of the church's financial statements.
