Helping kids to Love, Learn
About, and Live Like Christ

NURSERY

Sunday Mornings
Ages 0-2

Our team of volunteers will care for the littlest members of your family. Plan to leave a diaper bag with your child, and a phone number in case we need to reach you.

SUNDAY SCHOOL

Sundays @ 9am
Age 2 - 6th Grade

Kids classes are available during the first service, based on school grade. We go chronologically through the Bible using Brite Curriculum, created by Awana.

DISCOVERY

Sundays @ 10:45am
Age 3 - 1st Grade

This program is available during the second service, and is targeted at PreK and Kindergarten kids. It includes Bible lessons, snacks, crafts, and play time.

AWANA

Wednesdays @ 6:30pm
Age 2 - 12th Grade

During the School year, Awana meets for Bible lessons, Scripture memory, and games. Sign up is available at cbcomaha.org.

CHILD PROTECTION

We desire to foster a safe, nurturing environment where your children can experience the love of Jesus and grow in knowledge of Him. We do this by evaluating all those who work with kids; including an application, background check, and at least 6 months attendance.

Our Children's area is built with safety in mind. On Sunday mornings, children check into our computer system, and parents receive a tag to pick them up at the end. During services, the children's wing is securely locked down so that unauthorized people cannot come and go.
