

CBC LIBRARY

WATCH FOR IT!

**A NEW LIBRARY PAGE IS COMING
SOON TO OUR CHURCH CENTER APP**

There will soon be a library page on the CBC app, allowing you to browse our collection of fiction books. This section will feature both a Children's Library and an Adult/Youth Library. As always, we will manually check out and check in the books. Please be aware that the Non-Fiction book list is currently a work in progress. We invite you to visit the CBC Libraries located in the southwest corner of our church to discover some great reads!
