

WELCOME

to CBC Student Ministries!

Helping students know God
personally and pursue
Jesus passionately

BIBLE CLASSES

Sundays @ 9am

We offer separate Bible classes for our High School and Middle School students. These are taught by capable and caring adults and focus on studying and applying God's Word to everyday life.

LIFELINE

Sundays @ 6pm

Lifeline is our youth group gathering for both HS and MS students and includes games, worship, teaching, small group discussion, and plenty of time with friends and adult leaders.

AWANA

Wednesdays @ 6:30pm

CBC youth fully participate in our AWANA program. MS students meet together for Trek and have time for Scripture memory, large group lesson, and games. HS students have the opportunity to serve in clubs with younger kids. HS students desiring to complete the Journey books and Scripture memory meet together before other clubs begin.

SPECIAL EVENTS

We have a variety of events throughout the year designed to engage and disciple the youth of our church in different ways. These include retreats, service and outreach opportunities, fellowship times, and summer mission trips.

OUR MISSION & MINISTRY

Our mission is to help students know God personally and pursue Jesus passionately by...

- Leading faith stretching activities,
- Providing real relationships with adults who care, and
- Equipping parents to disciple their kids.

Our Middle School Ministry (grades 7–8) focuses on developing relationships with students and walking with them as they go through the many changes that come their way as they enter the teenage years.

As students go through and graduate High School, it is our focus and goal that each graduate will love God, love people, and make disciples.
