

Community Bible Church's Worship Ministry: Mission, Vision, and Beliefs

Creating an atmosphere of proper worship that will change lives

The Worship Ministry at Community Bible Church (CBC) exists to glorify God in all we do and lead others into authentic, Christ-centered worship. We strive to create cohesive, organized, and biblically sound corporate worship experiences that encourage the congregation and cultivate an atmosphere of encouragement, edification, and holistic growth within our team.

Core Beliefs

- Worship is directed to God alone, for Him alone, and because of Him alone. (Exodus 34:14; 1 Chronicles 16:29; Colossians 3:16)
- All efforts are for God's glory, not personal advancement. (Psalm 115:1; Matthew 5:16; 1 Corinthians 10:31)
- Worship is a lifestyle that permeates all aspects of life, not just Sunday mornings. (Romans 12:1–2; Colossians 3:17; Hebrews 10:24–25)
- Corporate worship calls for active congregational participation. (1 Corinthians 14:26; Psalm 95:1–2)
- We embrace diversity in worship practices to edify the whole body of Christ. (Romans 15:5–7; Philippians 2:3; 1 Thessalonians 5:11)
- We affirm CBC's statement of faith in full.

Future Goals

- Continue offering worship experiences that honor God and align with scripture.
- Foster active participation from both the congregation and worship leaders.
- Ensure seamless, orderly services that allow the Holy Spirit to move freely.
- Utilize a variety of mediums, technologies, and approaches to engage all participants.
- Encourage biblically supported physical expressions of worship. (Psalm 47:1; Psalm
